## AIDA WA State Solo Irish Dancing Championships

DATE:  
5-6 August  
2023

## About the Event

The WA State Irish Dancing Championships is the premier event of the WA branch of the Australian Irish Dancing Association's year. Irish dancers aged from 5 to over 23 compete in their age group event to win the title of State Champion, and for a chance to qualify for the World Irish Dancing Championships held the following year. The 2024 Worlds will be held in Glasgow, Scotland. Dancers are required to perform on stage, three fast-paced rounds of varying Irish dance rhythms, for a panel of 1 international and 2 interstate adjudicators. The event is well attended by over 300 dancers from 10 Perth dancing schools, along with their families, friends, local supporters of Irish dancing and members of the WA Irish dancing community.
